

Report received by One Process/Title IX & routed to appropriate university contact to address.
If report is a Title IX violation, the following workflow is initiated:

Complainant/Reporter is emailed list of resources and supportive measures and a request to meet to discuss:
details of incident
available supportive measures
grievance process options
next steps

Complainant meets with Title IX Coordinator.

Complainant chooses NOT to respond or meet With Title IX Coordinator.

Complainant files formal complaint.
Respondent receives notice of formal complaint,

Complainant can still access & request supportive measures.
